It is now widely accepted that the trial of Gilles de Rais was a miscarriage of justice. He was a great war hero on the French side; his judges were pro-English and had an interest in blackening his name and, possibly, by association, that of Jehanne d'Arc.

Gilles de Rais was innocent: The Banned Lecture by ...

Gilles de Rais (date of birth unknown, not earlier than 1405 – 26 October 1440), Baron de Rais (French: [də ʁɛ]), was a knight and lord from Brittany, Anjou and Poitou, a leader in the French army, and a companion-in-arms of Joan of Arc. He is best known for his reputation and later conviction as a confessed serial killer of children.

Gilles de Rais - Wikipedia

English writer Margot K. Juby recently published The Martyrdom of Gilles de Rais, a book claiming Rais’ innocence that cites the torture the ecclesial court used in obtaining confessions, as well as the lack of any physical evidence presented at the time of the over 100 murders he is said to have committed.

Gilles De Rais, The Child Serial Killer Who Fought ...

In modern times, revisionists have questioned whether or not de Rais was truly guilty of the crimes for which he was executed, noting that his confession was extracted using the threat of torture. Most historians who have examined the evidence from de Rais’s trial, though, continue to believe that he did in fact commit the murders.
