Royal Air Force An Illustrated

Synopsis. In the first 80 years of its existence as an independent air arm the Royal Air Force has gained major achievements in both war and peace. To mark the 80th anniversary of its formation in 1998, aviation author Roy Conyers Nesbit has written this illustrated history of Britain's "junior" service. Covering all the main campaigns and historical events, the concise narrative relates the history of the RAF from its formation on 1 April 1918, through the testing years of the interwar ...

The Royal Air Force (RAF) is the United Kingdom's aerial warfare force.It was formed towards the end of the First World War on 1 April 1918 and is the world's oldest independent national air force. Following the Allied victory over the Central Powers in 1918, the RAF emerged as the largest air force in the world at the time. Since its formation, the RAF has taken a significant role in British ...

Royal Air Force - Wikipedia

The Royal Airforce: An Illustrated History by M. J. Armitage A history of the Royal Air Force, tracing the development of the service all the way from 1st April 1918 to the late 1990s. It is a remarkable story of change, progression and achievement, often against all the odds, told here by a man who was for a long time an important part of many of the events he describes.

This is a list of Royal Air Force Trade Groups. Each ground trade in the Royal Air Force is assigned to a Trade Group which it operates under for command and control. Originally, the trades were organized in groups numbering I, II, III, IV & V and M for any medical associated trades.

List of Royal Air Force Ground Trades - Wikipedia

Designed during WWII as a long-range fighter, the Hornet represented an evolution of the de Havilland Mosquito and was the fastest piston-powered fighter in Royal Air Force service. Like the Mosquito, the Hornet had a fuselage built largely of balsa and plywood, but boasted laminar flow wings and massive Rolls-Royce V12 engines with 12-foot diameter, four-bladed props.

Royal Air Force - AbeBooks

The Royal Air Force 'RAF' is Britain's aerial warfare force and was the founding father to the structure of most air forces around the world. 2018 marks the 100th anniversary of the Royal Air Force and a prestigious milestone in aviation history. Along its illustrious 100 year path, the Royal Air Force has been integral in the development of aviation and the development of aviation warfare.
