The Jelly Effect will show you how to get the best out of any situation, whether you're speaking to an individual or a group, formally or informally, inside or outside your organisation. By the time you close the final page of this book, you will be armed with practical, proven techniques that will help you be more effective in all your business dealings.

The Jelly Effect: How to Make Your Communication Stick ...
More relevance and a lot less jelly. The Jelly Effect teaches you simple, memorable and costless ways to win more attention and more business. Imagine how effective you'd be if you communicated only what was relevant 100 percent of the time. You would be better at talking to others, presenting, networking and selling.

The Jelly Effect teaches you simple, memorable and costless ways to win more attention and more business. Imagine how effective you'd be if you communicated only what was relevant 100 percent of the time.

The Jelly Effect : How to Make Your Communication Stick ...
The Jelly Effect : How to Make Your Communication Stick. ... You see, the way many people communicate is like filling a bucket with jelly, flinging it at their audience, and hoping some of it sticks. It's ineffective, it's irritating and, above all, it's very messy. ...

The Jelly Effect : How to Make Your Communication Stick ...
A friend recommended The Jelly Effect to me and I am so grateful that they did. I read it on holiday but, because its such an easy and entertaining read, it didn't feel like I was "working". Then I applied what I'd read about presentations to a conference presentation I made when I got back from holiday.

By Andy Bounds The Jelly Effect: How to Make Your ...
The Jelly Effect is a great book about selling the hole not the drill. It could be better though. Simpler. There's ABC's, AFTERs, plus some other concepts. It's almost NLP like in that regard. Simplicity rocks - tell em what they want to hear not what you want to say.
