Honda Classics Restoration Services - Model by Model Guide

The first generation Honda Civic is an automobile that was produced by Honda in Japan from July 1972 to 1979. It was their first genuine market success, eschewing the air-cooling and expensive engineering solutions of the slow-selling Honda 1300 and being larger than the minuscule N-series. The Civic laid down the direction Honda's automobile design has followed since.

Honda XL250 is a four stroke 250cc motorcycle from Honda introduced in 1972 and manufactured through most of the 1980's. It is an "enduro" or "dual purpose" bike meaning it physically looks like a dirt bike, and shares many characteristics with a dirt bike, but it is street legal.The bike is completely mechanically operated as there are no hydraulics on the bike.
