A brilliantly imaginative, illustrated recreation of an 1890s Los Angeles pocket guide, or "Sporting Guide," to the brothels of the day. Los Angeles, 1897, When Vice Ruled The City Long before the glitz and glamour of Hollywood, Los Angeles was a city where dreamers from all over the world came to make their fortunes—where a madam named Pearl Morton entertained the most powerful politicians and entrepreneurs inside her namesake brothel. In a series of haunting, interlinked stories set in the period, author and filmmaker Liz Goldwyn recreates a “sporting guide”—a secret diary and guidebook of the best brothels and prostitutes in the city. In this world a hushed conversation inside a velvet-lined boudoir could destroy a man, and the rustle of bushes might reveal a sordid assignation. Based on original research in the libraries and archives of Los Angeles, these fictional stories are often inspired by real historical characters—like the laudanum-addicted Cora Phillips, whose tombstone Goldwyn rediscovered, or Bartolo Ballerino, Italian immigrant slumlord of the forgotten red-light district, or thirteen-year-old Frances dreaming of life beyond the Children’s Orphan Asylum. Interspersed in these stories—and featuring over a hundred historical photos and illustrations—Goldwyn reveals the history of the period, from the rage for corsets to crushed pearl powder cosmetics and the awful cures for syphilis. Sporting Guide evokes a lost world of those on the margins of Los Angeles, of the hustlers who made it into one of the great cities of the world, and Goldwyn gives a poignant voice to the people and stories forgotten by time.

political rights and social freedom for Dalits, and contributing significantly to the establishment of the state of India. In 1956 he converted to Buddhism, initiating mass conversions of Dalits.

Director, dancer, goodwill advocate for the United Nations: Aishwaryaa Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her. Aishwaryaa writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers. Intensely personal, but also inspirational, Aishwaryaa's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, *Standing on an Apple Box* is as much a celebration of individual fulfilment as it is of family.

The incredible story of a film that was never made
In the 1950s, when Satyajit Ray asked Pandit Ravi Shankar to compose the music for the *Apu Trilogy*, he conceptualized a film on the legendary sitarist. He also worked out a detailed storyboard for the film. However, for reasons unknown till now, the film was never made and the project was forgotten. Now, for the first time, Ray's storyboard is available. Together with interviews by both Ray and Ravi Shankar on various aspects of their collaboration and a scholarly introduction, this is truly a collector's edition.
