- “ Complete Anatomy has a wider depth and breadth of offerings than other anatomy platforms currently available (e.g. Primal Pictures, Visible Body) as well as more detail in its models. Other anatomy apps do not offer the ability to share content and have fewer tools with which to dissect and label models ” .

Get Complete Anatomy 2021 - Microsoft Store

Highly Accurate Real Anatomy. The Anatomage Table is the only fully segmented real human 3D anatomy system. Users can visualize anatomy exactly as they would on a fresh cadaver. Individual structures are reconstructed in accurate 3D, resulting in an unprecedented level of real accurate anatomy, dissectible in 3D.

LeDuff, a Detroit News reporter, who was born and raised in Detroit, attempts to explain the causes for the decline of Detroit. Once considered to be a premier city in America, due to the auto industry and related manufacturing, corruption, mismanagement and "white flight" have left the "motor city" in ruins.
