Long before the Roman Empire, Talayotic people left their mark in wondrous stone structures on the Spanish island.

### Menorca's 'houses of the dead' reveal these ancient secrets

A geneticist on the growing evidence for earlier arrivals of First Peoples to North and South America—and how to ethically collect that data.

### Genetics Suggest Indigenous People Arrived In Americas Earlier Than Some Thought

Chinese scientists have successfully sequenced ancient human DNA dating back some 14,000 years, hinting at their potential links with Asian peoples.

### South China Ancient Human DNA Hints at Native Americans' East Asian Roots, Study Shows

At first, I thought the Zealots were the best possible metaphor for evangelicals, but metaphor doesn't do justice to this group. Evangelicals are the New Zealots.

### The fantastical world of the New (evangelical) Zealots

Residents will have a chance to learn about history, see some artifacts and even enjoy some hands-on activities at the upcoming artifact and relic show this weekend.

### Artifacts, activities of ancient, modern history are focus of upcoming show

"We are stumbling—seemingly oblivious—into the bared teeth of the Anthropocene, a new geological epoch driven by humanity itself. We are walking straight into it and pretending it's not here." ...

### The Corporate Oligarchs Have Put Humanity on a Path Toward Self-Annihilation

America's transition from its founding to maturity follows a pattern evident throughout Western civilization, author Tom Wallace writes in a guest column.

### Opinion: America's decline echoes the falls of empires past

I feel desperately sorry for the Babylon Bee. There is no room for satire in 2022 when you have Woke ideology galloping through civilisation, dusting it in LSD. Don't give skeletons a gender ...

### How dare you assume the gender of ancient skeletons!

THE HARBINGERS OF THINGS TO COME, based on the book by Jonathan Cahn, sold out in theaters and was successful on streaming services.

### THE HARBINGERS OF THINGS TO COME, Calling America to Repentance, Now Streaming

With little to no information in the archaeological record regarding tattoos, placing their origin has proven difficult. What we do know is that tattooing | Technology ...
