Use the following as a guide when writing answers to discussion questions and as a checklist after you have written your answer.

1. Do I understand the question? What am I being asked to do?
2. Do I have a plan? What are my major points and how am I going to present them?
3. Does the reader know, just from reading the first sentence of my essay, both the question and how I will answer it?
4. Are my major points clear and do they stand out?
- 5.

Short Answer. Diagramming. Essay. Open-Ended. Questioning & Self-Directed Learning. For years in classrooms, questions have guided teachers in the design of units and lessons, often through the development of essential questions that all students should be able to reasonably respond to, and that can guide their learning of existing and pre-mapped content.
