ATV Projects: Get the Most Out of Your All Terrain Vehicle ...

The most popular type of ATV is the sport-utility quad, a machine that is both a fun, capable trail machine and equipped with racks and hitches so it is useful around the house or farm. This book shows how to do the most popular types of modifications to the ATV, most of which consist of bolting on a rack, or other accessory.

Most of these projects have featured in either the Severnside TV Group's newsletter "P5" or The British Amateur TV Club (BATC) magazine "CQ-TV". There are links to both of these organisations from this page. If you find these projects useful, please let me know. I have no plans to update any of them so you see them as they were originally built.

ATV Projects - YouTube

One of the company's most prestigious models, the Grizzly 700, is a constant favorite within the ATV community. The 2020 EPS (electronic power-steering) version is perfect for aggressive trail navigation, and the Ultramatic® transmission features a gated shifter, dual-range (Hi/Lo) drive, and reverse gear, making it one of the most advanced—and durable—CVT drive systems available.
