"Auld Lang Syne" has been translated into many languages, and the song is widely sung all over the world. The song's pentatonic scale matches scales used in Korea, Japan, India, China and other East Asian countries, which has facilitated its "nationalisation" in the East. The following particular examples mostly detail things that are special or unusual about the use of the song in a ...

Platinum is a barbershop quartet, created in 1998 and the 2000 SPEBSQSA international quartet champions. They are famous for their long posts (held notes at the end of songs), particularly in their adaptation of the song Be Our Guest and in Clay Hine's arrangement of Auld Lang Syne, which is on Platinum's CD of the same name.
