This mod now includes the highest quality version of the Widow's Walk expansion. Betrayal at House on the Hill is a cooperative exploration game until one of your friends betrays everyone.

Steam Workshop::Betrayal at House on the Hill Complete

When we did the nostalgia piece about Betrayal at House on the Hill last week, there was one thing we didn't mention: there is an expansion. The 2016 release Widow's Walk was created after years and years of fans asking for more haunts. An understandable request since playing the same haunts again and again loses its

Betrayal at House on the Hill: Widow's Walk – Lone Shark Games

Betrayal at House on the Hill: Widow's Walk. In Betrayal, you are effectively a team of adventurers drawn to the mysterious House on the Hill for reasons unknown. As you enter, the door slams shut behind you, locking you inside. Rather than take this as a pretty clear sign that you should break a window and just get out, you press forward. Maybe it wasn't luck that brought you to this house, though — maybe it was something evil.
