~~Biology Principles And Explorations Directed Reading~~

To assess students' understanding of concepts at the end of instruction, Biology: Principles & Explorations provides a test for each chapter and includes a generic Portfolio Assessment suggestion—to have students construct a concept map from each chapter (p. 49T). These options in chapters 4, 5, and 16, the chapters that treat the key ideas of matter and energy transformations most extensively, were examined for the first two criteria.
