"In *Chasing Chaos*, Jessica Alexander serves up a sharp critique of the multi-billion dollar humanitarian aid industry, wrapped in a tender coming-of-age story. Her quietly evocative prose recreates the painful, poignant, and sometimes hilarious experience of marching into 'the field' of armed conflict and disaster to relieve suffering, supported by donations from those who expect heroism.

Chasing Chaos is Alexander's story, a recounting of her baptism-of-fire in crisis-area fieldwork for various NGOs. Her mother's death from cancer spurs her into doing something to "make a difference," which sends her When we think of international aid workers at all, we tend to think of them in one of two ways (mostly depending on our political leanings): selfless saints or intrusive busybodies.

"In Chasing Chaos, Alexander takes us to a place where few outsiders can go, cracking open the rarefied world of humanitarianism to bare its contradictions—and her own—with boldness and humor. The result is an immensely valuable field guide to the mind of that uniquely powerful and vulnerable of beasts: the international aid worker."
