A union list of serials commencing publication after Dec. 31, 1949.

The Government Finance Statistics Manual 2014 (GFSM 2014)—describes a specialized macroeconomic statistical framework – – the government finance statistics (GFS) framework – – designed to support fiscal analysis. The manual provides the economic and statistical reporting principles to be used in compiling the statistics; describes guidelines for presenting fiscal statistics within an analytic framework that includes appropriate balancing items; and is harmonized with other macroeconomic statistical guidelines.
