Chinese Calligraphy | Yale University Press

Chinese calligraphy is the writing of Chinese characters as an art form, combining purely visual art and interpretation of the literary meaning. This type of expression has been widely practiced in China and has been generally held in high esteem across East Asia. Calligraphy is considered as one of the four best friends of ancient Chinese literati, along with playing stringed musical instruments, the board game "Go", and painting. There are some general standardizations of the various styles of

Chinese calligraphy - Wikipedia

Calligraphy, or the art of writing, was the visual art form prized above all others in traditional China. The genres of painting and calligraphy emerged simultaneously, sharing identical tools—namely, brush and ink. Yet calligraphy was revered as a fine art long before painting; indeed, it was not until the Song dynasty, when painting became closely allied with calligraphy in aim, form, and ...
