And then, within a span of about 18 hours, our family endured three losses.

Commentary: On loss, love, and the meaning of giving
You get a job at a school that you are excited about. You spend hours decorating your room with hundreds of your own dollars that you've saved. Your students finally arrive, and reality hits ...

Commentary: Teaching is no make-believe dream
This column appears every other week in Foster's Daily Democrat and the Tuskegee News. Given that this is mostly what the world is focused on right now, Guy Trammell, an African American man ...

Commentary: COVID's impact is fading but still deadly. What have we learned?
Speaking as a dyed-in-the-wool Chicago Cubs fan, I find that one of the most difficult things my faith teaches me is that even St. Louis Cardinals fans are made in the image and likeness of God.

Commentary: How to be one church in divisive times
Pennsylvania's open Senate seat was the linchpin of the Democrats' plan to hold the upper chamber on Capitol Hill and Lt. Governor John Fetterman's "Every county, every vote" strategy involved his ...

Commentary: Democrats and Rural Voters in the 2022 Midterms - The Good, the Bad, and the Ugly
Advent is supposed to be a time of anticipation and hope, but the threat of global warming brings me anxiety and fear. Scientists for decades have warned us that climate change is real and that it ...

Commentary: In Advent, we hope and wait. Climate change doesn't lend itself to either.
At my age I am grateful to have good insurance (too many do not), fantastic doctors, top-drawer clinics, and three nurses in my family to watch over and take care of me when my health strays.

Commentary on nursing shortage explained problem well
That is the key point overlooked in a recent op-ed by Zack Porter and Joan Maloof ("Commentary: Don't be fooled by myths of carbon in Maine, New England wood products," Nov. 7). The authors ...

Commentary: Abandoning timber harvesting is not the answer
As a pediatrician and endocrinologist, my job is focused on three kinds of care: diabetes, endocrinological, and gender-affirming health care. These fields are pretty similar - I follow the ...

Why doctors oppose ban on gender-affirming care for transgender youth | Commentary
Is the glass half empty or half full? In my experience it's always been half full - and that's one of many things I am thankful for this Thanksgiving. We lost my father this year, and that ...

COMMENTARY: Remembering why we give thanks on this day
Right now, as this is written, the railroad line from Brunswick to Augusta is under consideration for immediate conversion to a trail only by the Maine Department of Transportation and a trail ...

Commentary: Statewide, a great train robbery is underway
A study recounted by the National Institutes of Health tells of a mother who mistakenly pours an oral antibiotic into her 2-year-old's ear, not understanding the directions for the medication ...

Commentary: Increasing health literacy increases health equity
A recent survey of fraud-prevention professionals found more than 25% are experiencing budget constraints related to the slumping economy. This is causing almost half (45%) of these experts to ...

COMMENTARY: Recession-Era Fraudsters Are Already Among Us
A strong community is rooted in its people. The Biden-Harris Administration is committed to serving those who live in the rural areas of this country, like the small towns and communities right ...
