Convergence Culture Henry Jenkins

Henry Jenkins provides a fascinating account of how new media intersects old media and engages the imagination of fans in more and more powerful ways. Educators, media specialists, policy makers and parents will find Convergence Culture both lively and enlightening." --John Seely Brown, Former Chief Scientist, Xerox Corp & director of Xerox PARC

Welcome to Convergence Culture — Henry Jenkins

Convergence culture is a theory which recognizes changing relationships and experiences with new media. Henry Jenkins is accepted by media academics to be the father of the term with his book Convergence Culture: where old and new media collide. It explores the flow of content distributed across various intersections of media, industries and audiences, presenting a back and forth power struggle over the distribution and control of content. Convergence culture is grouped under the larger term of
