Creating Loving Attachments is a great guide for parents struggling to address attachment with their children and for families who may be raising foster or adopted children. Almost like looking in a mirror, readers may be able to find elements in their parenting that are on track and others that might need to be tweaked to encourage healthy attachment.

~~Creating Loving Attachments: Parenting with PACE to ...~~

Troubled children need special parenting to build attachments and heal from trauma. This book provides a parenting model that parents and carers can follow to incorporate love, play, acceptance, curiosity and empathy into their parenting. These elements are vital to a child ' s development and will help children to feel confident, secure and happy.

~~Creating Loving Attachments—Kim S. Golding~~

Children who have experienced trauma need to be parented in a special way that helps them feel safe and secure, builds attachments and allows them to heal. Playfulness, acceptance, curiosity and empathy (PACE) are four valuable elements of parenting that, combined with love, can help children to feel confident and secure.
