Culture Breaking Down ...

Answering these questions is fundamental to understanding cultural persistence and change. The chapters included in this stimulating, multifaceted book address these questions. Working in several subdisciplines, contributors report on research in the areas of cultural boundaries, cultural transmission, and the socially organized nature of learning.

Cultural Transmission and Material Culture | UAPress

Definition of Cultural Transmission A process through which beliefs, behavioral norms, preferences, traditions and such other aspects of culture are passed from one individual to another (or group) by way of teaching, imitation, or language. It is

Cultural Transmission Cultural
transmission is the way a group of
people within a society or culture tend
to learn and pass on new information.
While interacting with people from
other cultures, an individual generally
faces certain obstacles, which are
caused by differences in cultural
understanding between the two people
in question.

Definition of Cultural Transmission in Sociology.

In linguistics, cultural transmission is the process whereby a language is passed on from one generation to the next in a community. It is also known as cultural learning and socio/cultural transmission. Cultural transmission is generally regarded as one of the key characteristics distinguishing human language from animal communication.
