This is one of many apocryphal stories of cultural and religious insensitivity in maternity care described in *Culture, Religion and Childbearing in a Multiracial Society*, a new book by freelance writers Judith Schott and Alix Henley. The story shows that inaccurate cultural stereotyping can affect majority, as well as minority, ethnic groups.

Each culture and religion has its own customs and traditions for the birth of a child. During and after the birth of a Muslim child, there are certain rituals the mother and father must perform. Some of these traditions are culturally inspired, and others are performed according to passages in the Quran that detail the appropriate actions after childbirth.

Pregnancy & Childbirth. People of the Muslim culture believe that carrying, and then raising a child is one of the greatest gifts Allah can bestow upon a woman. "We have enjoined on man, kindness to his parents. In pain did his mother bear him and in pain did she give him birth" (Surah Al Ahqaf 46:15).
