This book examines the new religious pluralism and the challenges it poses for democratic societies on both sides of the Atlantic. What are the contours of this new religious pluralism? What are its implications for the theory and practice of democracy? Does increasing religious pluralism erode the cultural and social foundations of democracy?

~~[PDF]-democraey-and-the-new-religious-pluralism-eBook~~

Religious democracy is a form of government where the values of a particular religion affect laws and rules. The term applies to all countries in which religion is incorporated into the form of government. Democracies are characterized as secular or religious. The definition of democracy is disputed and interpreted differently amongst politicians and scholars. It could be argued if only liberal democracy is true democracy, if religion can be incorporated into democracy, or if religion is a neces
