Reinforced Concrete  
8th***

Design of Reinforced  
Concrete (Eighth  
Edition) by Jack C.  
McCormac and  
Russell H. Brown is  
an excellent book. I  
am a registered  
mechanical engineer  
and am trying to

expand my  
understanding of  
reinforced concrete.

What I really like  
about this book is how  
the authors use basic  
principles of  
mechanics of solids in  
the design of  
reinforced concrete.
