Written as a sequel to The Agricultural Tractor 1855-1950 by R. B. Gray and Farm Tractors 1950-1975 by Lester Larson, each chapter lists most of the new tractors introduced for that year, a summary of the specifications for the models, and information about the companies manufacturing the tractors.

This book analyzes the development of social welfare policy in modern America and provides a critical assessment of the dominant "progressive" and "social control" theoretical perspectives. It focuses on the link between changing social attitudes and beliefs and the content of public policy.

In *The Book of Dragons* of Edith Nesbit invites us to experience the world of dragons. One of the most beautiful young fiction books written in English language. Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on over 60 books of fiction for children. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party.

Presents a selection of the author's poems from throughout his life, from playful early poems to themes of mourning and loss.
