"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Interviews and features from Downbeat Magazine

"A gathering of friends, old and new, who here contribute their collective dulcimer experiences, news, memories, snapshots, playing styles, tuning and tablature methods, favorite songs, opinions, advice and information on where-to-buy, how-to-build, and where-to-listen to the Appalachian dulcimer."--Cover.

Harrison Stephens was a journalist who was also a jazz guitarist. He was influenced by the legendary George Van Eps, who had played with big-name bands and on dozens of records and soundtracks, and was perhaps best-known as the "Father of the Seven-String Guitar". Stephens set out to write a biography of Mr. Van Eps, and in the late 1980s and early '90s, the two met every Thursday for a couple

of years and had conversations about Van Eps's remarkable career. This manuscript was the first draft of the book that was shaped from those stories. Not published until now, the original document was found in Mr. Stephens's desk following his death in 2015.

This instruction manual and song collection is a well-crafted collection of basic dulcimer technique and traditional songs that might have been popular in CrippleCreek, Colorado in the 19th Century-- plus a few modern day tunes by its current inhabitants. The techniques and songs have been transcribed from the performances of Bud and Donna Ford who have been collecting songs for their favorite instrument for some time. Bud and Donna explain the basics of playing the dulcimer, including instructions on strumming, tunings, and picking. Solos are offered in all of the various modes (Ionian, Dorian, Locrian, etc.) in standard notation only with lyrics and chord symbols. The end result is an attractive yet pragmatic book that offers a solid grounding in the art of dulcimer playing. The recording features verbal instruction and performances of most of the tunes in the book on solo dulcimer, making learning easy and fun. The recording used tunings which are lower than those in the book, but this will not affect players reading the tablature. Includes access to online audio

Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

Bowser the Hound, outsmarted so often by Old Man Coyote, is taken advantage of once again when the coyote leads him on a long chase that ends far from the canine's home.
