Don't assume just because you have a 'fussy' eater that they won't like spicy food for example. Our most challenging child (when it comes to food) loves curry and chilli! When you have a breakthrough take a photo of them eating whatever it is - show it to them next time they tell you they don't like it!

Do you have a fussy eater? | Mummy Fever

Do you have a fussy eater? If your child is a fussy eater, you've no doubt tried every trick in the book. You are probably wracked with guilt and swing between finding new ways to tempt them and giving up entirely. You've probably read every book and article on the subject and still come back with a big fat zero for progress.

If you have a fussy dog, we understand. That's why our motto is, "Even fussy dogs love them!" Sometimes dogs are picky for short periods of time, or all the time because it's part of their personality. Here's some ideas for responding to your fussy dog. Outside Temperature As it gets warm outside in the [...]

Do you have a fussy dog? - Kaliwags

You may have heard that you need to offer a fussy eater a new food up to 20 times before they will accept it! However, it can be difficult to offer disliked foods repeatedly, particularly if your child is becoming distressed at mealtimes as a result. You may feel more inclined to give up than persevere. But help is at hand!

Do you have a child who is a fussy eater? Peas, please ...

Don't give your child too many snacks between meals - 2 healthy snacks a day is plenty. It's best not to use food as a reward. Your child may start to think of sweets as nice and vegetables as nasty. Instead, reward them with a trip to the park or promise to play a game with them.

Fussy eaters - NHS
