Re: ICOM VHF repair (cheap) ???..... NOT SO My IC-M422 was new in '09. Reception issue popped up this year (2015). ICOM replaced the FI3 (or F13) filter on the main unit board. They called it Warranty. No charge. Fortunately, my loss of use did not occur at a critical time. They should have called us. They knew.

service without the protective sheet applied, please call the Icom America Service Department - Washington at (800) 306-1380 prior to shipment.

### *Repair - Icom America*

I have decided to no longer service the ICOM 781 & R9000, Also Kenwood Tube Rigs, 830, 930, 940, 430 and all Yaesu equipment. There are several reasons for this, most revolve around shipping and parts availability. Due to issues with shipping to Canada, and the high cost of the shipping, I am no longer accepting shipments from Canada for repair.
