time later for users to tailor the system to their departments and roles.

Tips and Tricks for Getting the Most out of Epic

User experience designers at Epic regularly listen to ideas from patients, and earlier this year, one of those ideas became reality: MyChart now has a brand-new look. The design is based on almost two years of patient feedback, R&D, and test runs, and it's now available for healthcare organizations to offer to the 165 million ...

Currently, the Epic EHR is in "read only" status at inpatient and ambulatory sites at UVM Medical Center and at the ambulatory sites at Central Vermont Medical Center, Champlain Valley Physicians Hospital and Porter Medical Center. The network predicted that the restoration process would take several days. "We know the past few weeks have been extremely difficult ones - for patients as well as employees," read a statement posted Friday on the system's website.
