The Exodus Conspiracy - a film about the Biblical truths

When God speaks to Moses through a burning bush, he finds himself caught up in a vast conspiracy to free the Lord's chosen people from the slavery of the land of Khem. Are the Seven Plagues that beset Khem all part of a carefully planned terrorist operation or is the Lord truly working through his most devout disciple?

The papyri are thought to contain a version of the Exodus story completely at odds with that of the Bible. They allege that those seen as Israelites under the command of Moses were in fact made up of a band of expelled priests: followers of the heretic king Akhenaten's fallen monotheistic religion and a large group of mixed Asiatic peoples.
