Exploring The Urban Community A

Description. Authored by  
accomplished urban geographers and  
GIS experts, Exploring the Urban  
Community: A GIS Approach

leverages the modern geographer's  
toolset, employing the latest GIS  
methodology to the study of urban  
geography. The Second Edition  
expands upon this timely, applied  
approach by incorporating new  
"internet GIS" Google Earth™  
activities, which do not require  
students to own expensive software or  
travel to a school lab.

Urban exploration (often shortened as UE, urbex and sometimes known as roof-and-tunnel hacking) is the exploration of manmade structures, usually abandoned ruins or hidden components of the manmade environment. Photography and historical interest/documentation are heavily featured in the hobby and it sometimes involves trespassing onto private property.

Exploring care is such a foundational aspect of our work that we have already launched a spinoff company, Cityblock Health, focused on community-based care in underserved urban communities. Sidewalk Labs recently partnered with a Toronto-based firm, Idea Couture , to learn more about how neighborhoods can truly be drivers of community well-being and, by extension, individual health.
