IN SHORT: PAPERBACKS;
NONFICTION - The New York Times Psychologist Clark McCauley, PhD, a co-investigator at START and director of the Solomon Asch Center for Study of Ethnopolitical Conflict at Bryn Mawr College, has come to see terrorism as "the warfare of the weak"—the means by which groups that lack material or political power fight what they see as oppressive forces.

‘ Is it going to resolve Yemeni conflict? ’ Omani FM slams ...
Such questions have been at the center of efforts that have been put towards curbing extremism and extremist groups in the quest for making the world a better and more peaceful place. The questions are indeed set for a good reason, especially with reference to the ongoing proliferation of extremist terrorist groups across the world.

Extremist Groups Eye Yemen Conflict
With Renewed ...

While this is a commendable objective per se, an in-depth analysis suggests that, in the absence of appropriate governance schemes, the establishment of natural parks and reserves can also lead to conflict escalation, rather than appeasement, and contribute to creating a fertile ground for terrorist groups.
