I'm faded I'm faded So lost, I'm faded I'm faded So lost, I'm faded These shallow waters never met what I needed I'm letting go a deeper dive Eternal silence of the sea, I'm breathing Alive Where are you now? Where are you now? Under the bright but faded lights You've set my heart on fire Where are you now? Where are you now? Where are you now? Atlantis

But faded lights You set my heart on fire Where are you now? Where are you now? Where are you now? Atlantis Under the sea, under the sea Where are you now? Another dream The monster's running wild inside of me. I'm faded I'm faded So lost, I'm faded I'm faded So lost, I'm faded

Lewis Capaldi Lyrics. "Fade". It ain't no wonder why we lose control. When we're always a heart attack away from falling in love. Well, I know that we've been hardly holding on. To tell the truth, I can't believe we got this far. Running near on empty. I wish somebody would've told me. That I'd end up so caught up in need of your demons.

So lost, I'm faded When I look into the stars and whisper at the moon I think of birds singing in the sunny afternoon I was beginning to feel the power, it struck me like a storm

BARS AND MELODY - FADED LYRICS

I think the song speaks about being lost. You don't know where you were or who you are so you're 'faded'. Away from the truth, from those you love and those you thought you loved.
