For the last decade economists have been preoccupied with the decline in bank financing to small businesses and entrepreneurs. This effort has produced a better understanding of the obstacles to external financing. We examine the market and policy instruments that in some sense encourage more bank lending to SMEs.

## ~~Fintech and the Financing of Entrepreneurs: From ...~~

Abstract. For the last decade economists have been preoccupied with the decline in bank financing to small businesses and entrepreneurs. We examine the market and policy instruments that in some sense encourage more bank lending to SMEs. This leads us naturally to explore the recent surge in Fintech lending that has affected the ability of SMEs and entrepreneurial firms to obtain loans.
