Buzz Bingo challenged users to find the missing puzzle piece in 10 intricate photographs in under 10 seconds. The majority of people were only able to get four out of 10 questions right, and only .6% were able to get a perfect score. The data shows that women, creatives, and frequent puzzle solvers performed better on the quiz.

Can you find the missing puzzle pieces in this brainteaser ...

If you believe you've lost a jigsaw puzzle piece and it can't be found, or that your puzzle is defective and the missing piece was never there -- then your first & best course of action is to contact the manufacturer. They will be able to help you with the next step and will want to know if there is a manufacturing issue.

My wife and I are ecstatic about the quality of the replacement part, kept looking to see any difference in the fit and color of the piece. Job well done . A jigsaw puzzle with a missing piece is worthless. After spending hours putting it together, and finding one piece missing, it was very disappointing. Thank you for making it complete.
