Just in the last three weeks, police in Dauphin, Cumberland, Centre, Northampton, and Lehigh counties reported catalytic converter thefts.

~~Catalytic converter thefts are on the rise~~

A police chase early Friday morning that ended on U.S. Highway 101 in San Francisco led to the discovery of dozens of catalytic converters.

~~Gar chase in San Francisco leads to discovery of catalytic converters spilling out of truck~~

Maricopa County Attorney Rachel Mitchell says her office is working to address catalytic converter thefts, which are rising rapidly in Arizona.
