Description.
Through lectures

File Type PDF

Formulating

and practical In

workshops, this

course will teach

you the basics of

formulating

cosmetic products

in a laboratory

environment. The

lectures will

introduce you to

the underpinning

science disciplines,

e.g. skin biology

and formulation

File Type PDF

Formulating

Science. You will also be introduced to the classes of raw materials used in cosmetic formulations and to the key legislative requirements for marketing cosmetic products, including natural and organic products.
