Research Methodology Lecture 01 - Meaning of Research - Dr D S JanbandhuFoundations Of Behavioral Research Kerlinger

First published in 1964, this text has set the standard for other texts in the field of behavioral research methodology. It emphasises the fundamentals of understanding how to solve a scientific research problem, focusing upon the relationship between the research problems and the design of the research. This edition has more examples from psychology, sociology, and education than the previous edition and places a greater emphasis on multivariate approaches and methods.
