at Entry Level, GCSE and GCE. Many of the world's current issues, globally and locally, are the result of geography.

Geographers help us to understand issues such as climate change, food and energy security, soil degradation, spread of disease, causes and consequences of migration, and how economic change affects places and communities.

The CCEA GCE Geography specification gives students a broad knowledge and understanding of the processes and challenges facing our world. This specification is available at two levels: AS and A2. Students can take the AS units plus the A2 units for a full GCE A level qualification. They can also choose to take the AS course as a stand-alone qualification.
