Governance and European Civil Society: Governmentality ...

This Living Review presents the two dominant analytical perspectives on civil society participation: the notion of civil society as organized actors that contribute actively to multilevel governance, and civil society as the mold for an emerging European public sphere.

Civil society participation in EU governance

To enhance their capacity to play a part in democratic processes in terms of lobbying and policy dialogue representing citizens' interests, to develop their capacity to deliver services either on behalf of government or others and to work for the benefit of under-represented or over-looked sections of society

Emergent Patterns of Civil Society Participation in Global ...

Civil society is a partner for governments as well as a watchdog. However, in a number of European countries, civil society organisations are facing legal, financial and sometimes even physical threats. In some countries, legislation and negative rhetoric are being used systematically to target civil society and thus restrict freedom of opinion.

Civil Society | EEA Grants

The International Civil Society Centre in conjunction with Conner Advisory conducted a first Power Shift Lab in September 2018 to address this appetite towards more legitimate and global governance. ICSO leaders from the Global North and South reviewed the inter-relationship of the "Golden Triangle": Power Dynamics, Organisational Intent and Governance Reform.
