~~This shift, from a vertical understanding of God to a God found on the horizons of nature and human community, is at the heart of a spiritual revolution that surrounds us -- and that is challenging..~~

~~Grounded: Finding God in the World-A Spiritual Revolution ...~~

~~Grounded explores this cultural turn as Bass unpacks how people are finding new spiritual ground by discovering and embracing God everywhere in the world around us—in the soil, the water, the sky, in our homes and neighborhoods, and in the global commons. Faith is no longer a matter of mountaintop experience or institutional practice; instead, people are connecting with God through the environment in which we live.~~

~~ProgressiveChristianity.org : Grounded: Finding God in the ...~~

~~Grounded: Finding God in the World—A Spiritual Revolution is a very interesting book. Bass argues that what appears to be a decline in America as many people leave behind traditional religious practices is actually a transformation in how people understand and experience God. The distant God has given way to a more intimate sense of the sacred that is with us in the world.~~

~~Grounded: Finding God in the World—A Spiritual Revolution. HarperOne, 2015. " Grounded is a wise and beautiful book. It is, in fact and in places, almost an anthem to the sacred unity of the physical and the spiritual in the formation of human faith and in the maturation of the human soul. " — Phyllis Tickle, author of The Great Emergence.~~

Faith is no longer a matter of mountaintop experience or institutional practice; instead, people are connecting with God through the environment in which we live.~~

~~Grounded – HarperCollins~~

~~The premise of Grounded is simple: God is everywhere: in the earth and all creation but also in that which connects us to the earth, our roots, our sense of home, our neighborhoods, and even in the commons where we gather. Therefore, being grounded is a vital step in the process of discovering God as He is within us and us within God.~~
