Honda stands behind our engines a three-year commercial warranty on all GX engines, 100cc and larger. Or ask a Honda engine owner. Next time you visit a rental centre, see a landscape truck, or pass by a construction site, you'll probably see a Honda GX engine-powered piece of equipment. Stop and ask them what they think of the Honda engine ...

Honda GXV620 K1 (20.0 HP, 14.9 kW) V-tiwn vertical shaft ...

All engines. Honda's automatic mechanical decompression system is designed to give you quicker, easier starts. This system, which is connected to the camshaft, reduces compression by opening the exhaust valve slightly when the engine is being started. This reduces the amount of force needed to start the engine and improves starting performance.
