Indivisible Human Rights: A History. Human rights activists frequently claim that human rights are indivisible, and the United Nations has declared the indivisibility, interdependency, and interrelatedness of these rights to be beyond dispute. Yet in practice a significant divide remains between the two grand categories of human rights: civil and political rights, on the one hand, and economic, social, and cultural rights on the other.

Human beings are born free and equal in dignity and rights.”

Indivisibility: Human rights are indivisible. Whether they relate to civil, cultural, economic, political or social issues, human rights are inherent to the dignity of every human person. Consequently, all human rights have equal status, and cannot be positioned in a hierarchical order.
