Mina Loy, a poet, and very much a major figure in European/American arts during the DADA/Surrealist era, wrote one novel regarding the relationship between a female and a male painter, who is a pain-in-the-ass. The book in parts is very funny, especially with Loy's character putting down the painter as sort of a drama queen.

### Insel by Mina Loy - Goodreads

It's like reading something written by someone on LSD. What I did relish was learning more about Mina Loy and the artist, Richard Oelze, on whom the main character, Insel, is supposedly based. This was my first surrealist novel... very different, demanding for the reader and, I would say, an acquired taste.

Insel, the only novel by the surrealist master Mina Loy, is a book like no other—about an impossible friendship amid the glamorous artistic bohemia of 1930s Paris.

### Insel » Melville House Books

A lesson in character study punctuated by surrealism, Mina Loy's Insel demands a certain level of patience and dedication. It is a novel that feels free to dip in and out of the heart of defined literary movements or distinguished styles. This is not to say that Loy's writing is sloppy in its execution.
