The book Integrative Hypnosis is written as a transcript from a workshop. Perhaps about 80% of this book consists of NLP techniques, so if you have attended NLP training, they will not be new to you. However, since NLP is generally thought through NLP workshops, and most hypnosis courses teach only classical hypnosis techniques, if you've only learned classical hypnosis, then this book will open a new world for you.

Start your review of Integrative Hypnosis: A Comprehensive Course in Change. Write a review. Aug 19, 2012 Aletheia rated it really liked it. Shelves: psychology, unconscious. This book is an excellent example of "don't judge a book by its cover". Although uninspiring, and manual-like to the eyes, this book is filled with simple, easy to follow ...
