IEC 60364-5-54 has been prepared by IEC technical committee 64, Electrical installations and protection against electric shock. This second edition replaces the first edition, published in 1980, its amendment 1 (1982), as well as some clauses of IEC 60364-5-548, published in 1996, and its amendment (1998), and constitutes a technical revision.

INTERNATIONAL IEC STANDARD 60364 5 54

International Iec Standard 60364 5 International Standard IEC 60364-5-55 has been prepared by IEC technical committee 64: Electrical installations and protection against electric shock. The IEC 60364 series (parts 1 to 6), is currently being restructured, without any technical changes, into a more simple form (see annex A).

International Iec Standard 60364 5 54 – trumpetmaster.com

e IEC 60364 Electrical Installations for Buildings is the International Electrotechnical Commission 's international standard on electrical installations of buildings. This standard is an attempt to harmonize national wiring standards in an IEC standard and is published in the European Union by CENELEC as "HD 60364".

IEC 60364 – Wikipedia

International Standard IEC 60364-5-55 has been prepared by IEC technical committee 64: Electrical installations and protection against electric shock. The IEC 60364 series (parts 1 to 6), is currently being restructured, without any technical changes, into a more simple form (see annex A).

INTERNATIONAL IEC STANDARD 60364 5 55

divergence between the IEC Standard and the corresponding national or regional standard shall be clearly indicated in the latter. 5) The IEC provides no marking procedure to indicate its approval and cannot be rendered responsible for any equipment declared to be in conformity with one of its standards.

IEC 60364 5 52 – Electrical installations of buildings –

The text of the International Standard IEC 60364-5-54:2011 was approved by CENELEC as a Harmonization Document without any modification. In the official version, for Bibliography, the following notes have to be added for the standards indicated: IEC 60079-0 NOTE Harmonized as EN 60079-0. IEC 60079-14 NOTE Harmonized as EN 60079-14.
