JANOME MYLOCK 234 INSTRUCTION BOOK Pdf Download | ManualsLib

Overlockers are a special type of sewing machine that trims and neatens fabric edges much faster than you can using a conventional sewing machine. But don ' t just keep it for neatening edges, it also sews the seams in a fraction of the time too. When they work well, your overlocker is your best friend. But if the tension is wrong, they are the devil to use. There ' s not an overlocker-owner ...
