100+ Management Models is an essential resource for managers at all levels. It gives an overview of each of the most important business models in eight categories: sustainability, innovation, strategy, diversity, customers, human resources, benchmarking and leadership and analyses their strengths and weaknesses.

Jerry White's London in the Nineteenth Century is the richest and most absorbing account of the city's greatest century by its leading expert. London in the nineteenth century was the greatest city mankind had ever seen. Its growth was stupendous. Its wealth was dazzling. Its horrors shocked the world. This was the London of Blake, Thackeray and Mayhew, of Nash, Faraday and Disraeli. Most of all it was the London of Dickens. As William Blake put it, London was 'a Human awful wonder of God'. In Jerry White's dazzling history we witness the city's unparalleled metamorphosis over the course of the century through the daily lives of its inhabitants. We see how Londoners worked, played, and adapted to the demands of the metropolis during this century of dizzying change. The result is a panorama teeming with life.

Printed in full color. Do you ever look at the clock and wonder where the day went? You spent all this time at work and didn't come close to getting everything done. Tomorrow try something new. Use the Pomodoro Technique to work in focused sprints throughout the day. In Pomodoro Technique Illustrated, Staffan N teberg shows you how to organize your work to accomplish more in less time. There's no need for expensive software or fancy planners. You can get started with nothing more than a piece of paper, a pencil, and a kitchen timer. You have so much you need to accomplish today. Your list is a mile long and you find yourself getting interrupted every other minute. You'd like to tell everyone to leave you alone, but most of the interruptions are coming from you! You think of a phone call you need to make or a web site you need to check and before you know it you're answering email, checking twitter, and finding a million other things to occupy your time. You need to focus--really focus. The Pomodoro Technique puts you back in charge of your day. You'll apply successful techniques from software engineering to identify what you should be doing today and to help you achieve your goals. Your mind won't wander when it is fully engaged in short bursts of focused activity. Learn to work less and accomplish more using nothing more than paper, pencil, and a simple kitchen timer. Set the timer and start on your next Pomodoro. When the bell rings take a break. This personal approach to timeboxing is at the core of the Pomodoro technique and this book is filled with advice on how get started and how to tailor it to your own needs.

On the brink of the war of 1812, Marianne Denton must marry to unlock her inheritance. Without the money, her mother can't receive medical care and her sister will be destitute. But Noah Brenin needs to sail his cargo to England before the war commences in order to prove his worth to his father and make enough money so he won't have to marry at all. When Noah walks out on their engagement party, Marianne chases him down and ends up on his merchantman out at sea. The situation is impressed into the British navy. While a young lad's prophecy of destiny looms over them both, Marianne and Noah are forced to face their darkest fears as they desperately try to escape and fulfill their destinies - destinies that could change the course of the war and history forever--

In 1996, John P. Kotter's Leading Change became a runaway best seller, outlining an eight-step program for organizational change that was embraced by executives around the world. Then, Kotter and co-author Dan Cohen's The Heart of Change introduced the revolutionary "see-feel-change" approach, which helped executives understand the crucial role of emotion in successful change efforts. Now, The Heart of Change Field Guide provides leaders and managers tools, frameworks, and advice for bringing these breakthrough change methods to life within their own organizations. Written by Dan Cohen and with a foreword by John P. Kotter, the guide provides a practical framework for implementing each step in the change process, as well as a new three-phase approach to execution: creating a climate for change, engaging and enabling the whole organization, and implementing and sustaining change. Hands-on diagnostics—including a crucial "change readiness module"—reveal the dynamics that will help or hinder success at each phase of the change process. Both flexible and scaleable, the frameworks presented in this guide can be tailored for any size or type of change initiative. Filled with practical tools, checklists, and expert commentary, this must-have guide translates the most powerful approaches available for creating successful change into concrete, actionable steps for you and your organization. Dan Cohen is the co-author, with John P. Kotter, of The Heart of Change, and a principal with Deloitte Consulting, LLC.

Salvation is more than just being saved from sin. Salvation is being saved to the glory of God. We were created in the likeness and the image of God, and it is His desire for us to be crowned with His glory and honor. The Blood and the Glory reveals how the power of the Blood of Jesus and the glory of God fit together in God's plan of redemption. This exciting book draws from the experiences of great leaders of faith from the past to rekindle the power of the Blood of Jesus in the Church today. Combining personal stories with strong biblical principles, Billye Brim teaches the importance of depending upon the Blood of Jesus in your daily walk with God. You will understand as never before that without the Blood of Jesus, it is impossible to be prepared for the glory of God. By using the principles outlined in this book you will learn: How to use the Blood of Jesus to overcome the enemy How to use the Blood of Jesus to protect your family How to draw a blood line around your property and possessions How to maintain victory through the Blood of Jesus How the Blood of Jesus is connected to the outpourings of the Holy Spirit. We are in the last days. The circle of glory is almost complete. It is through the Blood of Jesus that we can be redeemed to our rightful place of glory and honor in the kingdom of God.

Help your child be the top of the class with the best-selling home-study series from Carol Vorderman. Carol Vorderman can help your child succeed in Maths with this homeschool learning resource for 9-11 year olds. Problem Solving Made Easy is one of Carol Vorderman's series of DK workbooks, packed with notes and tips to make home learning about Maths easy and fun! Follow the exercises and activities with your child at home to strengthen their learning in school. My name is Lucy. I am in recovery from anorexia nervosa and major depression, each of which almost killed me. So begins Biting Anorexia, an extraordinary account of a teenage girl's descent into the tortured existence of anorexia and her arduous, remarkable recovery. Much of this unflinchingly candid memoir is ripped directly from the pages of author Lucy Howard-Taylor's diary as she struggled with the torturous condition, offering a rare glimpse into the thoughts and fears that grip the minds of those struggling with anorexia, the most fatal of all psychiatric illnesses. Tinged with a wicked sense of humor, Lucy's beautifully written, penetrating insights capture the overpowering anxiety that comes with anorexia and reveal the challenge of recovery. This courageous and compelling story will inspire and support those troubled with the condition, and their family and friends, the world over. ♪ a graphic yet poetic insight into the pain and suffering experienced by sufferers of eating disorders. --Claire Vickery, CEO and founder of The Butterfly Foundation

This comprehensive reference fully explores the various types of beadwork, including beading on fabric, fringing, bead weavings, bead embroidery, and beaded jewelry.
