and Terrence Kaufman.

Language Contact ...

Language contact occurs when speakers of two or more languages or varieties interact and influence each other.

The study of language contact is called contact linguistics. When speakers of different languages interact closely, it is typical for their languages to

Page 33/35

1992

influence each other.

Language contact can occur at language borders, between adstratum languages, or as the result of migration, with an intrusive language acting as either a superstratum or a substratum. Language contact occurs in a
