Hey guys, Recently I decided to purchase “ Learn more
study less ” pdf ebook by Scott Young. Why ? Because I
am a student of medical school and I would like to make
my studies more effective, spare my time and enjoy my
knowledge longer/remember longer. I guess you are
looking for tips about study skills from similar reasons.

Learn more with holistic learning, while study less with holistic learning. The book combines with the author's own learning experience and almost all major theories and techniques in the field of productivity and personal development. So you can have a quite clear view of them all. But I personally feel there should be more details.
