Book that successfully addresses both native and non-native speakers. Engaging and varied, it teaches grammar through contextualized exercises and activities based on language proficiency, songs, poems, cultural readings and literary selections. This edition includes greater emphasis on cultural material and vocabulary, expanded exercises, numerous self-tests and laboratory drills which focus on listening as a skill.

creating a collaborative and positive environment in the classroom. The Student's Book provides 9 units with projects and videos (documentaries, Grammar and Everyday English voxpops) for every unit; CLIL lessons; fast-finishers pages; 'Learn to learn' boxes; 'Use it! Voice it!' sections for personalisation, critical thinking and practice in context; and 'Explore it!' sections, which encourage internet research around the unit topic. The Student's Book also includes an ample reference section with extra materials, a Pronunciation section and a Vocabulary bank.
