justified. Whereas a classical argument gives a justification to preventive war, Walzer has a more restrictive view.

Just and Unjust Wars, Chapter 5 - Olivia Lau
Introduction Michael Walzer's place in the pantheon of contemporary IR theory is assured. His name is a byword for just war theory. To cite Just and Unjust Wars is to confer authority upon an article or statement on the ethics of military force. What else is there to say? This rather neat view of Walzer's theoretical contribution to ...

Nation and Universe - Tanner Lectures on Human Values

Walzer looks to account for how citizens, not lawyers, argue about the moral dilemmas found in war. For Walzer, the tension in the moral theory of war is summed up in the dilemma of winning and fighting well. Walzer examines both *jus ad bellum* (the justice of war) and *jus in bello* (justice in war). Walzer argues the restrictions set on the reach of battle (who may be killed and when) distinguish killing in war from murder and massacre.

the possible political strategies? And third, how ought we to fight against terrorism?

Terrorism and Just War | Video Lectures

Introduction. Michael Walzer is one of the most prominent contemporary critics of liberal society. The critical quality and the import of his writings are recognized by both friends and foes. His works are widely read and commented. A collection of literature has thus gradually built up.
